DEFENDANTS

**SUPPLEMENT TO [071] MOTION FOR LEAVE TO FILE THIRD AMENDED
COMPLAINT**

Comes now, *pro se* Plaintiff, who hereby submits the following Supplement to my Motion for Leave to File Third Amended Complaint (Doc. 71) in the above-styled action.

1. When I filed the motion, I attached a Proposed Third Amended Complaint. However, I later noticed that it was actually titled “Second Amended Complaint.”
2. As I am attempting to serve process on two international defendants under the Hague Convention, my process service agent – Julie Perez – advised me that there is a possibility that this error might result in rejection by the British and Swiss Central Authorities. See **Exhibit A**.
3. To rectify this, please find, attached to this supplement, **Exhibit B**, a Revised Proposed Third Amended Complaint.
4. Please also find attached **Exhibit C**, a revised proposed order granting the motion.

I apologize for the inconvenience and hope that this supplement can clear up any confusion in the issues.

So said on this, the 4th day of October, 2021.
